INTERNSHIPS

Frontend Developer | Python Developer | Software Tester, Technicious Technology Services Private Limited   May 2025 - Present
As a budding Frontend Developer and Python Programmer, I have hands-on experience in building responsive web interfaces, writing clean and efficient backend logic in Python, and ensuring software reliability through structured testing. Ive worked on multiple academic and personal projects that reflect real-world development scenarios, and I consistently focus on writing maintainable code and delivering user-focused solutions. With strong communication skills and a collaborative mindset, I thrive in team environments and am well-prepared to contribute from day one.

PROJECTS

Tourism Exploration Website - Web Development (Frontend)   **Feb 2025 - Mar 2025**
Created a visually appealing tourism website showcasing destinations with image galleries, destination cards, and informative content.

Portfolio Website - Web Development   **Jan 2025 - Present**
Designed and deployed a responsive personal portfolio website to highlight technical skills, projects, and contact information

FoodMunch Website - Web Development (Frontend)   **Jan 2025 - Feb 2025**
Developed a Zomato-inspired restaurant listing website with responsive design and interactive UI elements for smooth user experience.

Text Editor (C) - System Software / C Projects   **Nov 2024 - Feb 2025**
Built a custom text editor with undo/redo functionality, efficient memory management, and basic file handling using C programming.

POSITION OF RESPONSIBILITY

Intern – Child Welfare & Educational Support - Vidyarthi Prabodhini (Balodyan)   **Jun 2024 - Jul 2024**
Completed a four-week social internship at Vidyarthi Prabodhini (Balodyan), contributing to child welfare and educational support. My role involved engaging with children through teaching and activities, assisting in library and stock management, supporting the admission process, and organizing events aimed at overall development. This experience strengthened my teamwork, communication, and organizational skills while giving me valuable insights into social responsibility and community engagement.

Volunteer – Finance and Marketing - Pune Startup Fest'24   **Oct 2023 - Jan 2024**
Contributed as a Finance and Marketing volunteer for Pune Startup Fest 2024, one of the premier student-led entrepreneurship events in India. Collaborated with cross-functional teams to manage sponsorship outreach, budgeting, and brand promotion. Actively participated in partner communication, promotional content planning, and helped drive outreach campaigns to attract startups, investors, and attendees. This role enhanced my financial understanding, strategic thinking, and real-world marketing exposure.

EXTRA CURRICULAR ACTIVITIES

Group Discussion Leader – Environmental Studies
Led group discussions on topics like Development vs. Environment and Plastic: Boon or Ban, showcasing leadership, public speaking, and

collaboration skills.

Library & Resource Volunteer – Vidyarthi Prabodhini
Organized educational resources, supported childrens activities, and assisted in administrative tasks during the social internship.
